To Whom It May Concern:

We are pleased to commend to you our brother in Christ, Kent Smith.

We have been blessed for the last eight years with Kent's outstanding speaking ability from the pulpit, in Bible classes and in his seminar, "Everyday Christianity." Most recently we have enjoyed and benefited from his new book also titled "Everyday Christianity."

"Everyday Christianity" is a delightful, yet challenging, book and series of lessons. Kent, through his captivating story telling and liberal doses of Scripture, uses the blessings and adversity from his personal life to describe how to serve and glorify God in all circumstances.

Kent's life experiences include businessman, elder, mission field worker, devoted husband, father and grandfather. These experiences coupled with his life of service to the Lord have prepared him well to lead others to praise God in times of blessing and abundance while trusting Him in times of adversity.

We are confident that "Everyday Christianity", the book and the seminar, will be the blessing to your congregation that it has been for ours.

In Christ,
